

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Please do not weaken our democracy by undermining media diversity. Without access to information and varied viewpoints, we cannot make informed choices. If citizens cannot make informed choices, our democracy is threatened. Thank you for listening; it is ciritical.
